

COMMUNICATION ABOUT REACH REGULATION

Cabrianes, June 2016

Dear Sirs,

As per the application of the new European Regulation REACH, and concretely relating to the pre-register and register of substances, we inform you that CHIASA has the necessary evidences of their suppliers to assure that all products being manufactured and sold are in accordance with such regulation.

This means the components being used in our materials are either pre-registered by our suppliers or they are exempt of being pre-registered and registered.

Hereby we confirm that no substance mentioned in the candidate list of substances of Very High Concern for Authorisation, published by the Chemical Agency on October 28th 2008 and updated on June 20th 2016, is being used in our formulations.

At the same time, we confirm as well that no substance of Very High Concern, as per article 57, is included in the preparation of any of our products being supplied to the market.

In addition, CHIASA has the OEKO-TEX 100 certificate (class I or II), which confirms that our products do not contain any of the substances of Very High Concern for Authorisation.

May you have any additional question or information, you can contact us to the following e-mail: chiasa@chiasa.es

Faithfully yours,

Quality Department
